**ARE YOU INTERESTED IN RECEIVING THE WEEKLY
POLICE INTELLIGENCE BULLETINS FOR RETAIL
BUSINESSES?**

F.O.R.C.E. - Maine Police Intelligence Bulletins for businesses, are sponsored by the Maine Regional Community Justice Coalition and are funded by the Department of Justice. They provide a weekly bulletin to Maine businesses and loss prevention personnel giving information on ORGANIZED RETAIL CRIMES, ROBBERIES, BUSINESS THEFTS, ARRESTS and related incidents that occurred in the state the previous week. This information has been provided by area police agencies as well as area companies. It is aimed at alerting and assisting businesses in identifying persons who are intent on victimizing them.

If you are a business owner, manager or loss prevention officer, and wish to be added to the dissemination list to receive the F.O.R.C.E. Retail Bulletins, please contact Wendy Kierstead at: wnk@mainepoliceintelbulletins.com or Dave Cyr at: dc@mainepoliceintelbulletins.com. All you need to do is advise which business you are aligned with and provide your e-mail address.

Our intention is to offer a regular information sharing bulletin that provides ongoing communications between Maine police departments and businesses. Quarterly meetings are also held throughout the state.
